# Trump's fake news awards in full.
#FakeNewsAwards
tnegatewaypundit.com/2018/01/fake-n ...

1. The New York Times Paul Krugman claimed on the day of President Trump's historic landslide victory that the economy would never recover.

2. ABC News Brian Ross CHOKES and sends markets in a downward spiral with false report.

3. CNN FALSELY reported that candidate Donald Trump and his son Donald Trump jr had access to hacked documents from WikiLeaks.

4. TIME FALSELY reported that President Trump removed a bust of Martin Luther King jr from the Oval Office.

5. Washington Post FALSELY reported the President's massive sold-out rally in Pensacola, Florida was empty. Dishonest reporter showed picture of empty arena HOURS before crowd started pouring in.

6. CNN FALSELY edited a video to make it appear President Trump defiantly overfed fish during a visit with the Japanese prime minister. Japanese prime minister actually led the way with the feeding.

7. CNN FALSELY reported about Anthony Scaramucci's meeting with a Russian, but retracted it due to a "significant breakdown in process."

8. Newsweek FALSELY reported that Polish First Lady Agata Kornhauser-Duda did not shake President Trump's hand.

9. CNN FALSELY reported that former FBI Director James Comey would dispute President Trump's claim that he was told he's not under investigation.

10. The New York Times FALSELY claimed on the front page that the Trump administration had hidden a climate report.

11. And last but not least "RUSSIA COLLUSION!" Russian collusion is perhaps the greatest hoax perpetrated on the American people. THERE'S NO COLLUSION.

The furore has been covered by all your favourite right-wing media g·vs Alex Jones, Paul Josep,h Watson, and even Canadian far-right RealDoll Lauren Southern, who is braving the bleak climes of North Lanarkshire to report on the ,perceived ridiculousness of the situation.

# Calling other countries "shitholes" is racist. Except when Kathy Griffin or anyone on the left does it.

> Tonight, Bravo series **Kathy Griffin: My Life on the D-List** wraps up a story arc about Kathy's visit to Iraq. As unlikely as this sounds, this ordinarily light and fun reality show has, over the course of these two episodes, illustrated for us the situation in Iraq much better than television usually does.
>
> Last week's episode, which repeats tonight at 8 p.m. ET before the new episode (and at 10 a.m. and 6 p.m.), was, in part, a vivid portrait of our troops' experiences there, from the constant fear of attack to the "profanity will not be tolerated" sign that hangs in the hanger where Kathy delivers her act and calls Iraq a "shithole."

## Snelbesteld

Snelbesteld is de naam voor restaurant met minimale bezetting en verkoopmogelijkheden.

Snelbesteld is een restaurant dat zich richt op snelheid. Het is een concept waarbij de klant zelf zijn eten samenstelt, betaalt en zijn eten ophaalt. Bij een dergelijk concept is het van groot belang dat de klant zo min mogelijk tijd kwijt is aan het bestellen, betalen en ophalen van het eten. Dit kan door een zo goed mogelijke inrichting van het restaurant te realiseren. Hierbij moet gedacht worden aan een goede indeling van de ruimte, een goede plaatsing van de apparatuur en een goede plaatsing van de verschillende producten. Ook de inrichting van de ruimte zelf, zoals de kleuren, de verlichting en de muziek, moeten zo worden gekozen dat ze de klant zo min mogelijk afleiden van zijn bestelling. Ook moet er voor gezorgd worden dat de klant zo min mogelijk tijd kwijt is aan het betalen van zijn eten. Dit kan door een zo goed mogelijke indeling van de kassa's te realiseren. Ook moet er voor gezorgd worden dat de klant zo min mogelijk tijd kwijt is aan het ophalen van zijn eten. Dit kan door een zo goed mogelijke indeling van de ophaalbalie te realiseren. Ook moet er voor gezorgd worden dat de klant zo min mogelijk afgeleid wordt door zijn omgeving. Dit kan door een zo goed mogelijke indeling van de ophaalbalie te realiseren

"President Donald Trump is absolutely right. Africa is a continent of shit," says Mamady Traore, a 30-year-old sociologist in the West African nation of Guinea "When you have heads of state who mess with the constitutions to perpetuate their power When you have rebel factions that kill children, disembowel women as saints, who mutilate innocent civilians. 1. 300% increase, not 400% (5 to 20 shootings in year. That's from 5, to 20.)
2. Implication that this level of violence has never been seen before is false. here's a graph showing murders per year over the decades. (source: BRÅ)

You're addicted to the Your Team vs Our Team view of the world, because that's how you make your money. But the U.S. works better when two groups aren't spitting at each other. A near consensus is the ideal, not blind domination by the most powerful party.

It means that what PJW said is reductionist, hate driven, and stupid. It's not "time to worry" when people from different ideologies can agree on any single issue. Common ground, when you can find it, is GOOD, a mindset of constant "war" is BAD.

All well and good @thenerdcity, but I think you're kind of missing the point aren't you? CNN doesn't meet half way and find common ground, so for CNN to praise Trump it means Trump is going sideways on the agenda his supporters elected him on. Trump supporters should be worried.

Oprah has set herself up as the leader of the #MeToo movement against the sexual abuse of women.

Yet she was best friends with Harvey Weinstein and has refused to disavow him.

In what world is this OK?

To re-iterate this delectable insight - a VICE "journalist" (@joe_bish) wrote an entire hit piece demonizing people who care about free speech as evil, bigoted sexist anti-feminists. In this article, he literally referred to a woman as a sex toy. And this is why VICE is cancer https://twitter.com/joe_bish/status/…

# That time when Oprah manufactured a fake racist incident as a callous vehicle for self promotion.

Winfrey also found herself in hot water in 2013 when without any proof, she appeared to manufacture a racial controversy in order to promote her latest movie, *Lee Daniels s The Butler* Appearing on *E ntertainment Tonight* Winfrey accused a Swiss shopgirl of racism.

"I say to the woman, Excuse me may I see that [$38,000 purse] right above your head? And she says to me, No. it s too expensive She refused to get it." Winfrey dramatically exp ined

But Winfrey refused to back up her story by identifying the store or the "racist" clerk. Eventually, though, the store and the shopgirl were located, and the young woman accused of racism by the most powerful woman in the world, openly declared Winfrey a liar

> I didn t hurt anyone I don t know why someone as great as her must cann,baize me on TV If it had all taken place as she claimed, why has she not complained the next day at the wedding of Tina Turner with Trudie Goetz, my boss? She was there also at the Turner wedding as a guest I don t understand it I spoke to Oprah Winfrey in English. My English is OK but not excellent unfortunately I didn t know who she was when she came into the store That wouldn't have made any difference if I had

And what was Winfrey s bizarre response to this hideous "racist" adding insult to injury by declaring her a liar? Outrage? Fury? Nope Winfrey backed off with a [illegible] about being "sorry" that the incident "got blown up."

Which is exactly what the bankruptcy protection system is designed to do: help companies come back from the brink. So why WOULDN'T Trump take advantage of those laws? He would be stupid not to. ONLY a fool would not.

Reality begs to differ.

I am not far-right. You are clearly an idiot though who either knows nothing whatsoever about the actual far-right or is deliberately muddying the waters in order to push your glib narrative.

Now do some proper journalism instead of whining about a balloon.

An Asian journalist visits London to sample its brand of "multiculturalism".

His conclusion; Multiculturalism has "failed".

wsj.com/articles/a-vis ...

Within minutes, we walked by three other mosques, which were vibrant and filled with young men coming and going. We passed a church that was closed and decrepit, with a window that had been vandalized. Eggs. We squeezed past dreds of free-dern-ly preparing for the Eid-ul-Adha holiday. Crowds gathered around tables to buy the desired meat. Animals. And the businesses had a religious flair. The eateries were halal, the fitness center was sex-segregated, and the boutiques displayed modest outfits on mannequins. Pakistani flags flew high and proud. I never saw a Union Jack.

Why can't people just express their own views anymore without getting shut down? Free speech is the freedom to express ones views without censorship or restraint.

Apple needs to leave America, and just move to China. With Apple suppressing the free speech on conservatives, I'm not going to buy their products any more. Conservatives will unite over the suppression of free speech, we will hold these companies accountable.

The left is now claiming comedy no longer needs to be funny, but about 'telling the truth'.

In other words, indoctrinating people with leftist political dogma.

BS.

All the most talented comedians (Rogan, Burr, Gervais etc) are not politically correct.

Violent crime, stabbings & acid attacks on the soaring.

Fake News "Oh no, Brexit may cause a flu pandemic!"

Nope. The yearly flu vaccine will most definitely cause it. They're using more virulent strains every year and upping the amount of strains (up to quadrivalent now) to increase the amount of people afflicted

@PrsonPanet

It's almost like your humble YouTubers are not actually radicalizing anyone, but we are challenging narratives and the monopoly of giant news corporations and globalist NGOs, who respond by placing stories within the media to lobby to have us shut down.

Imagine my shock.

@xANTHOS 77 ~BS SENSE TINGLING~

@QueenRoss Marilena Rossi
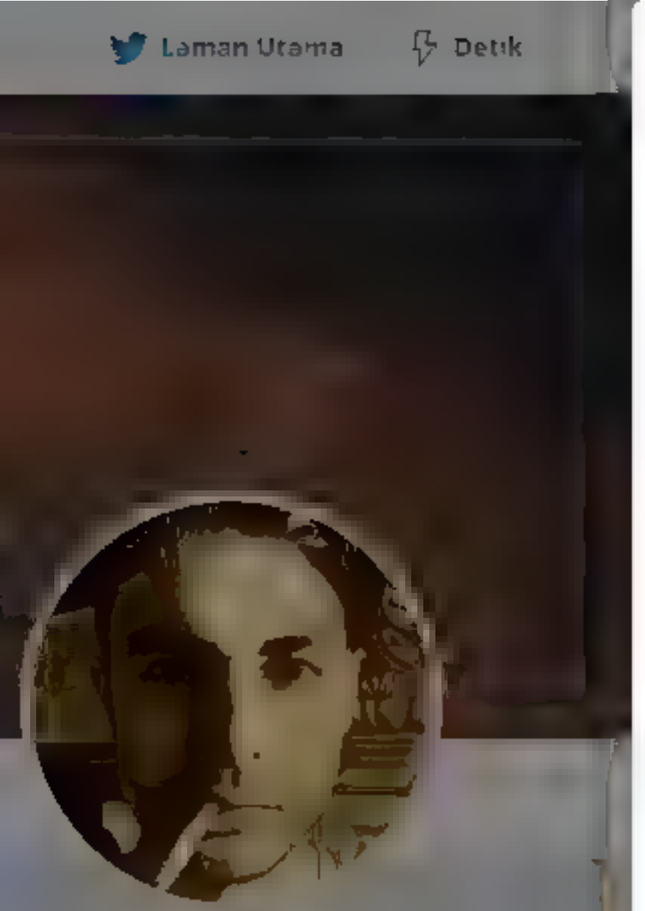
Soros' Media Matters, what a source!



@barnumseed **Barnum S Eed**
So what is wrong in the article?

@QueenRoss Marilena Rossi
I'm not going to read a Media Matter propaganda article. What you Leftist don't get is that Paul is entitled to say whatever he likes whenever he likes. It's called free speech, that thing you want to suppress for Conservatives 99% of MSM are fake news, leave people alone

@XANTHOS 77 ~BS SENSE TINGLING~
HAHA your perpetuation of ignorance is laughable and sadly, the norm for the right. You would rather dismiss something as "fake news" rather than absorb information and cross-reference sources. Yet you pretend you're being oppressed by media. Stop and think for yourself

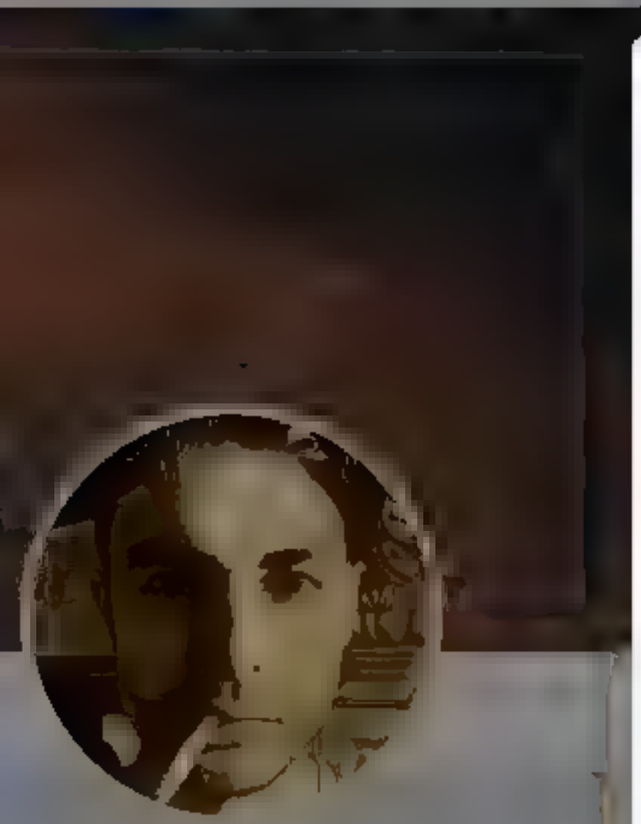
So this shadowy group writes a report.

"YouTube is a principal online news source for young people."



They then claim (with no evidence) that our content is leading to "radicalisation" of young people.

They then call on YouTube to shut us down.

Real time 'score' gets deducted if you;

Punishments include;

- Banned from air & train travel

Twitter suspended James Woods for trying to "impact an election" because he posted a satirical meme.

Literally anything could be said to "impact an election".

This is just another excuse to censor conservatives.

Earlier this month, I was suspended by Twitter for "targeted harassment" for posting a video in which Alex Jones was rude to a CNN reporter.

In this video, an irate mob harasses Ted Cruz and his wife.

I wonder what action Twitter will take?

I'm betting none.

BREAKING: Activists just chased @TedCruz out of a fancy Washington DC restaurant, chanting "We Believe Survivors!"

Cruz has been friends with creep Kavanaugh for 20 years.

Sweden's advertising agency has ruled the distracted boyfriend meme sexist because it presents women as "interchangeable" & "sex objects" and presents "a stereotypical picture of men seeing women as interchangeable".

Sweden is also the rape capital of Europe.

Sweden is a joke.

Bolsonaro tells his 7 million Facebook followers: "Let's make Brazil Great! Let's be proud of our homeland once again!"

He's expected to get 40% of the vote. Needs 50% to win outright, otherwise it goes to second round run-off.

People already alleging vote fraud by the left.

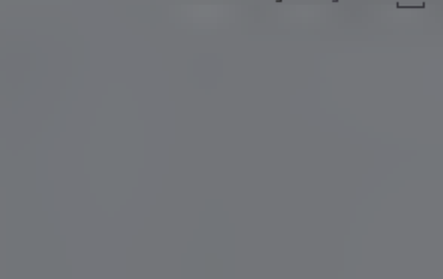
# Toronto: Migrants being housed in hotels, paying guests not informed.



# Guest later reported, "Some goats were being slaughtered" in the public bathrooms.

There are also 1,719 irregular (illegal) migrants/refugees/asylum seekers in Toronto hotels including 577 housed at the Radisson Toronto East hotel in 146 rooms (the hotel has 240 rooms in total)

The reputable Tripadvisor website has been inundated in the past few weeks with scathing reviews of the hotel, calling it a "zoo, filthy, noisy and dangerous" with the lobby full of loitering refugees and halls containing graffiti and garbage

Every paying visitor on Trip Advisor has claimed they did not know and were not told that 61% of the hotel is being occupied by refugees.

On Tuesday, one visitor from Virginia —calling the three-star hotel a "disgrace" claimed that animal services needed to be called on the second night he was there because "some goats were being slaughtered" in the public bathrooms.

Did not mean to offend by quoting Churchill. My apologies. I will go and educate myself further on his atrocities racist views which I do not support. My point was we need to come together as one nation. We are all Americans. That should transcend partisan politics.

Shocking video.

Leftist threatens to rape conservative woman, then feminists defend him and accuse her of lying - even though it's all on tape!

What happened to "believe women"?

Hillary literally paid Russians for dirt on Trump before the election.

It's called the Steele dossier. Google it.

The FBI then used the same dossier as an excuse to spy on the Trump campaign.

All of this is known information, and tweets like this are why you are fake news.

No, the fact that a crazy person is sending mail bombs doesn't mean the media is now immune from criticism.

Also, equating legitimate media criticism with domestic terrorism is actually dangerous for a free society, so please stop.

# The mastermind of Obama's drone program, which killed thousands of innocent people, is lecturing Trump about violence.

> **John O. Brennan** @JohnBrennan
> Stop blaming others. Look in the mirror. Your inflammatory rhetoric, insults, lies, & encouragement of physical violence are disgraceful. Clean up your act, try to act Presidential. The American people deserve much better. BTW, your critics will not be intimidated into silence.

When the media tells us that political violence is horrific and should be vehemently condemned, I fully agree.

I just wish, for once, they'd take a look in the mirror and follow their own advice.

Maxine Waters: "There are those who say, 'What if we get rid of him? Then we've got that Vice President and he'll be worse.' I say knock off the first one and then go after the second one."

But it's Trump who is inciting violence & division. Yeah, OK.

Cesar Sayoc - the alleged mail bomber - had Trump stickers all over his vehicle. But on Twitter, he only follows 32 people - many of whom are left-wingers like Lina Dunham, Barack Obama and Jimmy Kimmel.

What gives?

Alleged shooter in Pittsburgh did not vote for Trump and showed his hatred for Trump in other posts.

Was obviously motivated by his disgusting anti-Semitism and nothing more.

Should be treated as a terrorist attack because it's religiously motivated.

"Vandalized by gunfire".

This is how the media is reporting an attempted terror attack on a Republican Party HQ in Florida.

By this logic, the mail bombs were just "vandalism".

No, that was terrorism and so is this.

Bolsonaro is such a "fascist," he has made numerous staunchly pro-Israel statements, his first presidential trip will be to Israel, and his supporters were literally flying Israeli flags in the streets yesterday.

Your 'the Nazis are coming' hysteria is based on total bunk.

"Vandalized". They literally shot bullets into a Republican party office and the media equates it to graffiti. But there's no bias, honest!

Yeah, that's right. Leftists are stupid in Brazil as well, of course. According to them, Bolsonaro is a fascist (as his voters are), but he's been the one voice in Brazil in favor of closer relations with Israel

Removing the hijab in celebration of freedom is literally what Syrian women did when they were liberated from ISIS.

The hijab is a symbol of subjugation of women around the world.

She should be roundly applauded.

Remember when the media investigated real stories and exposed real bad guys?

Now half of what they do is lobby to have their competition censored while ruining ordinary people's lives with half-baked lies and smears.

Then they wonder why people don't like them.

An unaffiliated website even had to apologize because Candace Owens' supporters were mistakenly donating to it. Here are the screenshots showing how Google buried the official Blexit website despite other search engines ranking it number 1.

Noted "fascist" Jair Bolsonaro announces plan to move Brazilian embassy in Israel to Jerusalem.

Apparently, it's now possible to both be a "fascist" and love Israel, but only if you're a populist who the media hates.

OR the media routinely smears people as fascists. You decide.

Blogger Raif Badawi received 10 years in prison and 1000 lashes for the "crime" of "insulting Islam" in Saudi Arabia.

He is in poor health and could die in jail.

There was (rightly) global condemnation over the Khashoggi murder - so why not this?

Hillary Clinton literally said that all black people look the same, a story that the media barely touched.

That same media is now running breathless coverage of unsubstantiated claims from Michael Cohen about Trump supposedly making racist remarks.

But there's no bias, honest!

The impact of pro-family policies in Hungary;

'Abortions drop from 40,449 to 28,500 from 2010 to 2017, divorces fall from 23,873 in 2010 to 18,600, and — perhaps most remarkably — marriages increase by a striking 42 percent.'

Why does the political elite hate Hungary & Orban?

This is shameful. The media is trying to contrive a fake moral panic about Super Chat (because God forbid YouTubers should make money).

So one channel raises 26k for dying children and the money all gets refunded because of a planned WSJ hit piece?

1) The video was not "doctored" by me - all I did was zoom in on the original from the Daily Wire. I did not 'speed up' anything. The screenshot from Sony Vegas Pro here proves that.

2) I am not a "white supremacist".

3) Retract these lies.

Here's the video that proves I did not "doctor" or "speed up" the Acosta video, as some media outlets claim. I merely zoomed in.

Nice try to distract from Acosta's behavior, but this kind of dishonesty is why the media has a massive trust issue.

Please correct your stories.

Sarah Sanders claims Jim Acosta 'placed his hands on a woman'.

Jim Acosta says this is a "lie".

Here's the video.

*NEW VIDEO*

The media, with zero fact checking, launched a conspiracy claiming I "sped up" or "doctored" the Jim Acosta video so they could distract from Acosta's behavior.

This is false. I did not "doctor" or "speed up" anything. It was all fake news.

The claim being made my some media outlets that I "sped up" the Acosta video is a brazen lie.

Here's the original editing in Sony Vegas Pro. As you can see, no tracks are "sped up" (sped up tracks would show wavy lines). I just zoomed in.

Tonight the White House revoked [illegible]'s press pass. CNN's response to [illegible] and [illegible]

> The White House announced tonight that it has revoked the press pass of CNN's Chief White House Correspondent Jim Acosta. It was done in retaliation for his challenging questions at today's press conference. In an explanation, Press Secretary Sarah Sanders lied. She provided fraudulent accusations and cited an incident that never happened. This unprecedented decision is a threat to our democracy and the country deserves better. Jim Acosta has our full support.

California shooter posted on Facebook before rampage and live posted on Instagram during it.

Will the media demand the shut down of Facebook & Instagram?

Will PayPal revoke all ties?

Will left-wing groups organize campaigns to revoke web hosting?

British government considering encouraging financial market crash to intimidate MPs into voting for Theresa May's crappy Brexit deal.

This is absurd and dangerous.

If May does survive, her prospects of winning the meaningful vote look bleak. Ministers say Downing Street officials have discussed an equally dark strategy to twist arms. "No 10's plan is to encourage a crash in financial markets after losing a first vote in the hope this stampedes MPs into voting for it second time," a source who has discussed the issue with May's aides said. A cabinet source said: "That would be a kamikaze approach."

All these lame efforts to roast Ocasio-Cortez are only making her (and socialism) look better.

Post all her greatest hit stumbles in this thread and I will work on a video.

Emmanuel Macron, the newly elected French president, has no children; German chancellor Angela Merkel has no children

British prime minister, Theresa May has no children, Italian prime minister Paolo Gentiloni has no children; Holland's prime minister, Mark Rutte, Sweden's Stefan Löfven, Luxembourg's Xavier Bettel, and Scotland's, first minster Nicola Sturgeon — all have no children.

The list goes on Latvia's childless president is Raimonds Vējonis, Lithuania's childless president is Dalia Grybauskaitė, and Romania's childless president is Klaus Werner Iohannis And, Jean-Claude Juncker, president of the European Commission too, has no children and is family-less.

So to put it rather bluntly a grossly disproportionate number of the people making serious decisions about Europe's future have no direct personal sibling, child or grandchildren's interests at stake in that future They are not

# Hillary Clinton says Europe needs to curb mass migration. Yes, Hillary Clinton.

Europe must get a handle on immigration to combat a growing threat from rightwing populists, Hillary Clinton has said, calling on the continent's leaders to send out a stronger signal showing they are "not going to be able to continue provide refuge and support".

In an interview with the Guardian, the former Democratic presidential candidate praised the generosity shown by the German chancellor, Angela Merkel, but suggested immigration was inflaming voters and contributed to the election of Donald Trump and Britain's vote to leave the EU

"I think Europe needs to get a handle on migration because that is what lit the flame," Clinton said, speaking as part of a series of interviews with senior centrist political figures about the rise of populists, particularly on the right, in Europe and the Americas

"I admire the very generous and compassionate approaches that were taken particularly by leaders like Angela Merkel, but I think it is fair to say Europe has done its part, and must send a very clear message 'we are not going to be able to continue provide refuge and support' because if we don't deal with the migration issue it will continue to roil the body politic"

Worst riots in Paris for 50 years. 412 arrested. If they were protesting against "global warming," there would be wall to wall media coverage. They're protesting against globalism and fuel taxes, so the media plays it down.

So this Daily Beast reporter is now knocking on people's doors in a rural village where I used to live to try to find people I went to school with. Presumably, he has got hold of old address and school records. Creepy. Stalkerish. Bizarre.

If there were videos of protesters out of Russia with their eyes popped out and their hands blown off (both happened in France yesterday), there'd be an international outcry.

It happens in France to "populists" and no one bats an eyelid.

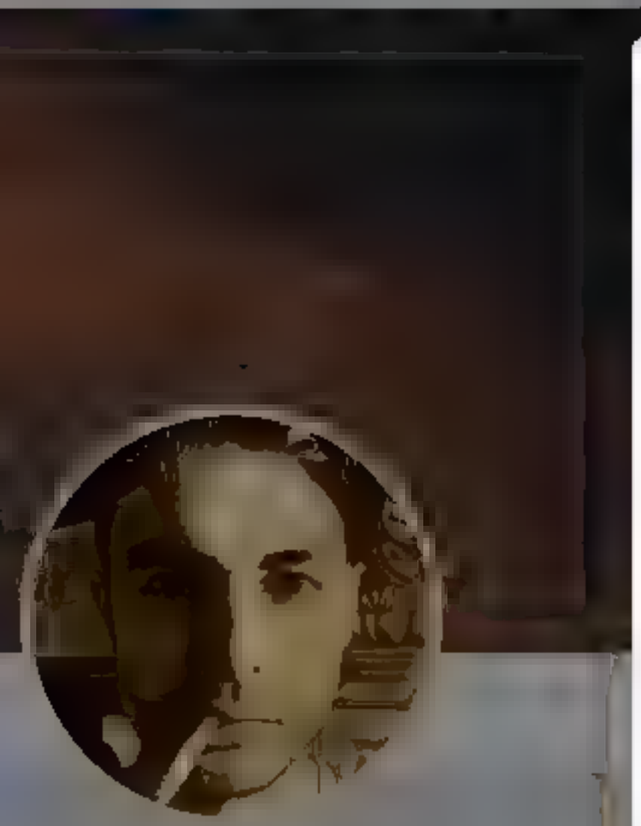
How shoddy does your journalism need to be to claim that I am American? @WIRED



Your supposition that 'Russian bots' are to blame for the yellow vest protests is equally f**king absurd.

This is why you're all going bust.

> These accounts differ from the network identified by Fox in that they are primarily creating, rather than amplifying, disinformation. Two of the most influential English-language accounts tweeting about the protests identified by Robert belonged to Katie Hopkins, an English far-right provocateur known for her controversial views on Islam, migrants, and a purported conspiracy to kill whites; and Paul Joseph Watson, an American conspiracy theorist and YouTube personality who works for InfoWars. Each has nearly a million followers, and posted numerous tweets using #GiletsJaunes. Watson mostly used the hashtag to highlight so-called European censorship, criticize the actions of "thugs" and the "usual suspects," and frame the protests as the French people "standing up against the EU," while Hopkins spun the movement as a European fight against globalists
